Testimonial

I am pleased to be able to provide this testimonial for Ansa Global Security.

Barbagallo Motors Group has had a long standing business association with Ansa Global and when we began experiencing damage to our vehicle stock at our Mandurah site we commissioned them to design a suitable solution.

We have since had them install a CCTV Surveillance System based on the recommendations provided and I am pleased to say that it was a delight having Ansa Global Security take charge of the project from beginning to end.

The results achieved have exceeded our expectations and I would gladly recommend them to any business seeking a value for money security solution.

Yours faithfully
